COVER - For 36 pt. you may use about 24 characters for upper/lowercase combination per line. Many people use 18 pt. type for names and dates in the lower right corner, about 30 characters per line.

SPINE - 18 pt. type is recommended for horizontal stamping. Line length depends on your album thickness. If you wish to stamp vertically (top to bottom), 36 pt. type looks good. (pricing subject to change)
